Biggs was twenty-four years younger than her niece and eighteen years younger than her nephew, Thomas Belgrave. She appears to have died in childbirth for she was buried the same day that her daughter Margery (Biggs) Hall was baptized. As well as being her stepfather, Ambrose Biggs Sr. was her father-in-law, while Julian (Scott)(Strutt) Biggs was Ambrose Biggs Jr.'s stepmother and mother-in-law.

My thanks go to Dr. Joanna Martin of Ipswich, Suffolk, for her help in the research for this article and of course to John B. Threlfall.
